

Update on new legal documents and important tax policies

June 2025

In this newsletter, Grant Thornton Vietnam would like to update our valued clients on the relevant legal policies and notable instructions regarding Tax and Invoices enacted in recent times.

1. Decree No. 70/2025/ND-CP amending a number of articles of Decree 123/2020/ND-CP regulating invoices and documents

On March 20, 2025, the Government issued Decree 70/2025/ND-CP regulating invoices and documents (effective from 1st June, 2025) supplementing a number of articles of Decree No. 123/2020/ND-CP with notable contents:

1.1. Group of contents regarding taxpayers to increase transparency, give favorable conditions for taxpayers, simplify implementation procedures.

1.1.1. Applicable subject (Article 2):

Decree supplementing entities apply electronic invoices which include: "Foreign suppliers that do not establish permanent establishments in Vietnam, engage in e-commerce, digital platform-based business and provide other services, and voluntarily register for use of e-invoices in accordance with regulations herein" and use the type of invoice which is a value-added invoice. This helps foreign suppliers without a permanent establishment in Vietnam such as Google, Facebook, LinkedIn,... to voluntarily register to use electronic invoices when doing business.

- The Telegram also re-emphasizes several key points introduced in Circulars 31 and 32 as mentioned above. Enterprises are advised to review and apply the new regulations promptly.

5. Official Letter No. 4525/BTC-PC on April 9, 2025 issued by the Ministry of Finance guiding the determination of investment incentives and procedures for adjusting investment projects in case of changes in administrative boundaries

On April 9, 2025, the Ministry of Finance issued Official Letter No. 4525/BTC-PC (“Official Letter 4525”) to guide the handling of issues related to investment incentives and project adjustments in the context of restructure of physical boundaries in Vietnam.

❖ Regarding the determination of investment incentive areas

For investment projects that have been approved for investment policies/issued with Investment Registration Certificates

- Official Letter 4525 re-affirms the principles of ensuring investment incentives in case of changes in law as prescribed in Article 13 of the Investment Law and Article 4 of Decree No. 31/2021/ND-CP.
- The Official Letter emphasizes the nature of investment incentives based on location and is determined based on the decision to approve the investment policy and the Investment Registration Certificate.
- Therefore, if a new administrative unit is established due to the arrangement and adjustment of the boundaries, the investment project continues to apply incentives according to the previously determined location.

In case of proposing to implement a new investment project or adjusting the location of the investment project

Specific rules are provided for the case where a newly established administrative unit includes communes from different socio-economic areas:

- The new administrative unit is determined according to the preferential locations of the majority of the constituent communes.
- If the number of communes in extremely difficult area and difficult area is equal, the new administrative unit is considered an extremely difficult area.
- If the number of communes in difficult area and non-preferential area is equal, the new administrative unit is considered a difficult area.
- The same rule applies to the case of comparing extremely difficult areas and non-preferential areas, with the new administrative unit being identified as an extremely difficult area.
- In case the number of commune-level administrative units in an area with extremely difficult socio-economic conditions and non-preferential areas is equal, the newly established administrative unit is identified as an area with extremely difficult socio-economic conditions.

5. Official Letter No. 4525/BTC-PC on April 9, 2025 issued by the Ministry of Finance guiding the determination of investment incentives and procedures for adjusting investment projects in case of changes in administrative boundaries (cont')

❖ Regarding adjusting investment projects

- The Investment Law and Decree No. 31/2021/ND-CP do not mention specific regulations on adjusting investment projects in case of changes in administrative boundaries.
- However, Official Letter 4525 reiterates that projects that have been granted investment policy decisions/Investment Registration Certificates shall continue to be implemented according to those documents, based on the principles of Article 13 of the Investment Law and Article 4 of Decree No. 31/2021/ND-CP.
- If the investor needs to adjust the project, it is required to follow the general regulations on adjusting investment projects.
