Your business journey and Our assistance

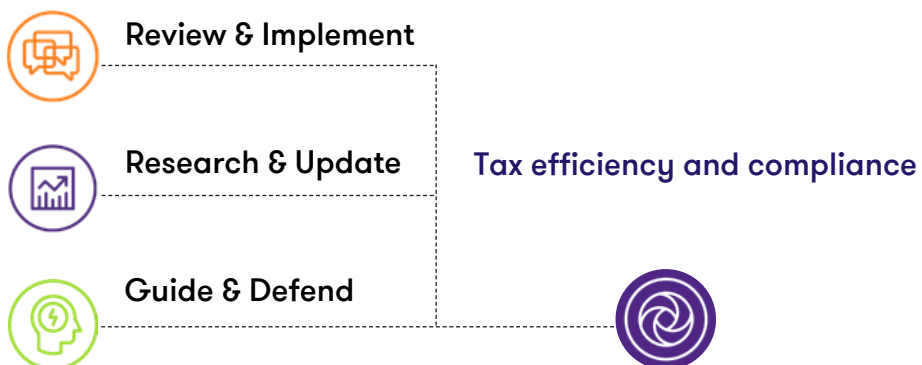

5 phases of your Business Journey & Our assistance

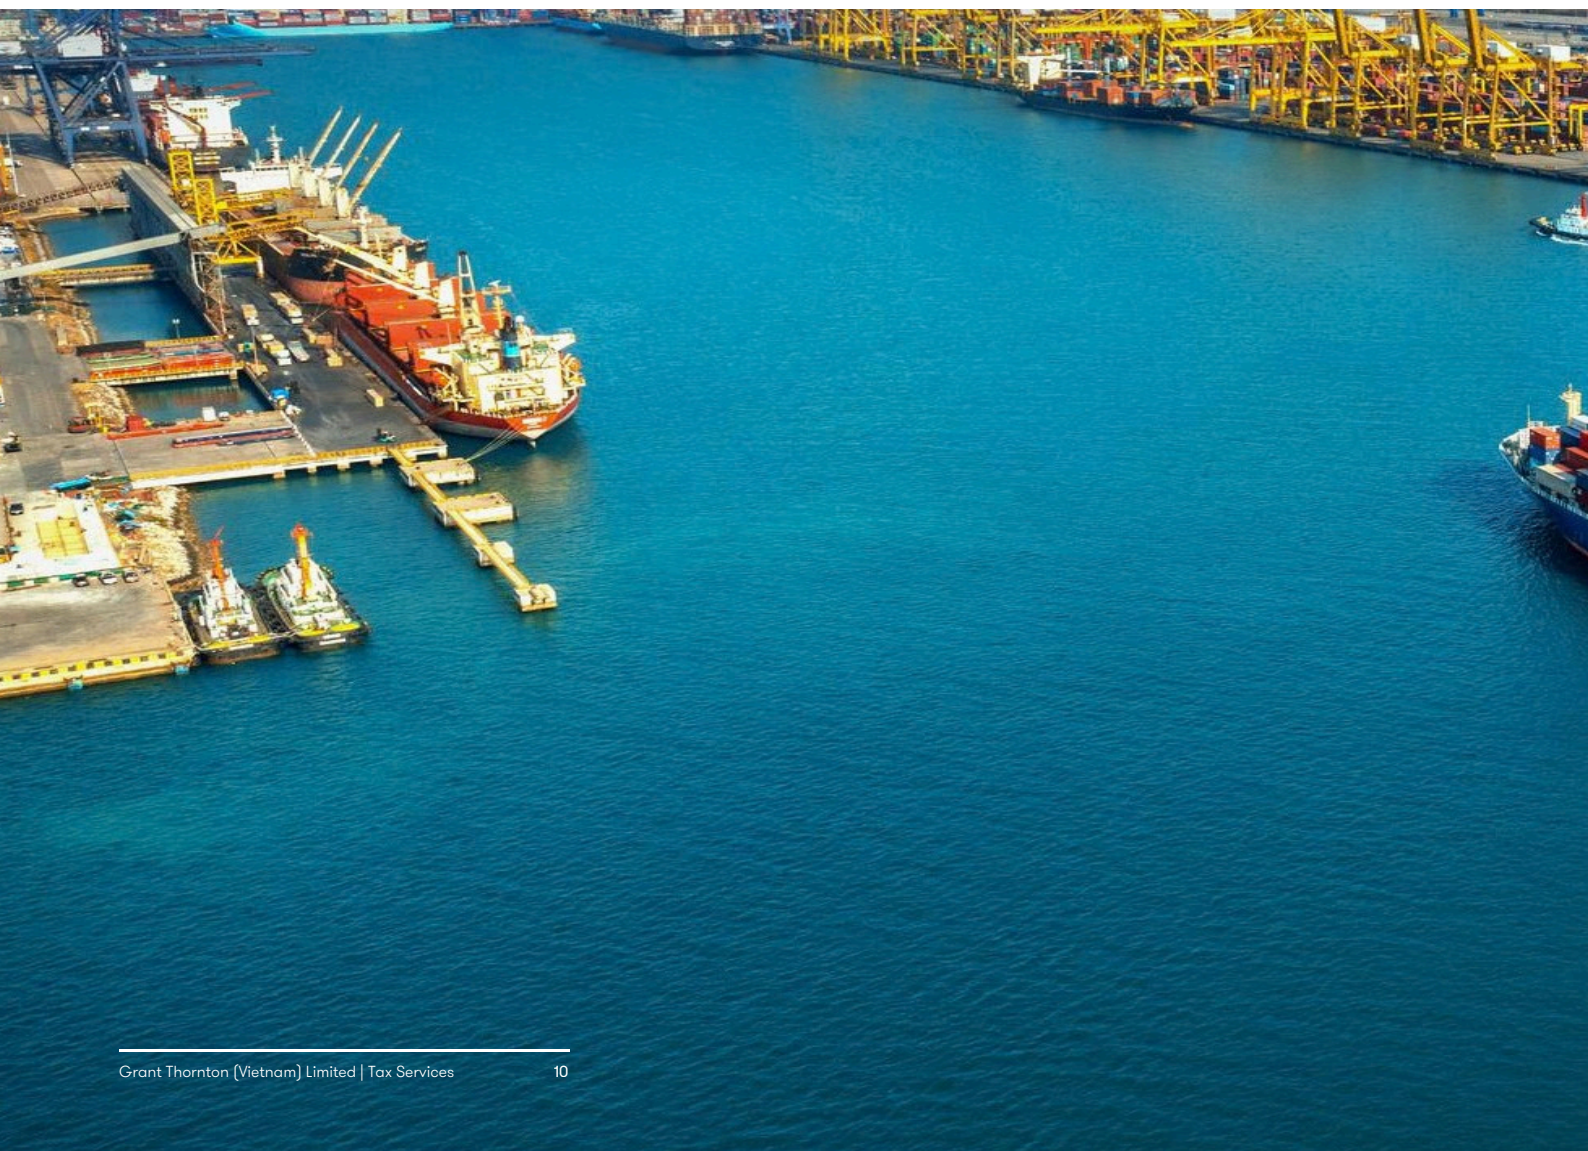

Our approaches

Our tax services help you gain trust and stay ahead, enabling you to manage your tax transparently and ethically.

Pre - establishment

Market entry & Pre-licensing advisory

At Grant Thornton Vietnam, we provide tailored and agile solutions that address your specific business needs, enabling you to concentrate on what matters most - your core operations.

We provide a clear roadmap to support foreign investors establish and operate their businesses in Vietnam. Through our market entry and pre-licensing advisory, we help clients navigate through:

- Vietnam's dynamic business and regulatory environment
- Optimal incorporation options and tax-efficient structures
- Step-by-step incorporation procedures and timeline
- Core tax and compliance requirements
- Tax treatment of pre-establishment expenses

In addition, we can extend and customize our support into a full feasibility study, offering valuable insights through market and industry analysis to guide your investment decision-making with confidence.

Establishment

Licensing and Post-licensing

We assist clients from different jurisdictions in establishing their companies, representative offices and ensuring full compliance with statutory regulations.

LICENSING

Assistance in obtaining and amending key licenses and certificates, including:

- Investment Registration Certificate and Business Registration Certificate
- Specialized Business License and Sub-license for enterprises, especially Foreign Invested Enterprises
- Certificate on Establishment of Representative Office
- Contractor Permit, Certificate on Establishment of Project Executive Office for Foreign Contractor/Sub-contractor

POST-LICENSING

Comprehensive post-licensing support to ensure your business is fully operational and compliant, including:

- Company stamp
- Assistance in opening Direct Investment Capital Account and current accounts with commercial banks in Vietnam
- Support for personal and organizational identification authentication procedures
- Obtaining e-signature token, software for tax and compulsory insurance compliance
- Registration of FIA (foreign investment agency) account for required periodical reports

INITIAL SETUP

We assist newly established entities in completing essential tax and compliance setup procedures, including:

- Notification of depreciation method to the managing tax authority
- Setup of e-invoice and e-tax certification and notification to the managing tax authority
- Provide compliance requirements schedule and checklist
- Tax briefings covering key types of taxes and guidance on documentation for tax filing
- Assistance in identity authentication procedure for corporate and organization clients

Operation

One-stop tax services

Tax Compliance services

Our tax compliance services are designed to support businesses in meeting statutory tax declaration obligations in accordance with the Vietnamese tax regulations which are frequently updated and revised.

Our scope of services covers all taxes relevant to your business, including but not limited to:

- Preparation and review of tax returns for Value Added Tax, Corporate Income Tax, Foreign Contractor Tax and Business License Fee on a monthly, quarterly and annual basis.
- Transfer pricing compliance, including transfer pricing disclosure forms and compliant documentation (i.e. Local Files, Master Files and Country-by-country profitability report).
- Global Minimum Tax compliance services.
- Tax retainer services offering regular updates on regulatory changes, second opinions on day-to-day tax matter and access to our publications, seminars, and webinar.

Payroll and labour compliance/global mobility services

Our payroll and global mobility services help businesses manage labour, immigration and personal income tax compliance effectively. We ensure compliance with local labour and immigration regulations while supporting your businesses in optimizing tax efficiency of your workforce in Vietnam.

We also assist with expatriate transfers and employment arrangements for both foreign and local employees

- Payroll processing
- Compulsory insurance compliance, including registration, de-registration, benefit claims and related procedures
- Labour force reporting
- Tax briefings and planning
- Personal income tax filing
- Work permit, business visa, temporary residence card applications and renewals

Ad-hoc Tax & Corporate services

Our ad-hoc services are tailored to address your specific needs of your business. We provide end-to-end support – from analysing your tax position and identifying key risk areas, to implementing practical solutions and defending your position before the tax authorities. Our scope includes :

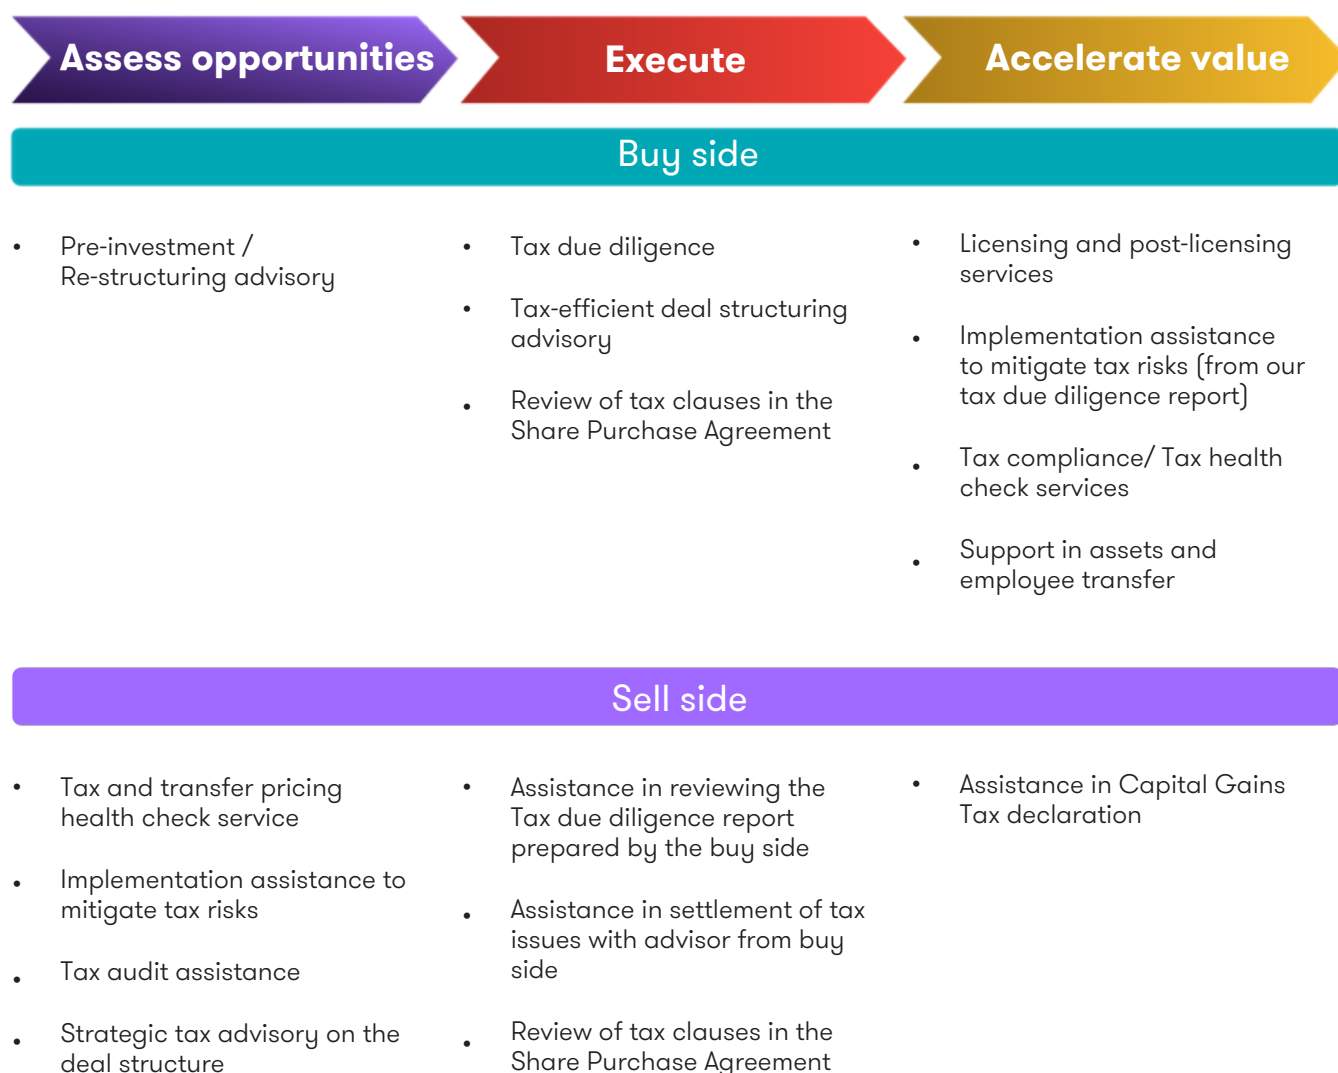

- International tax planning
- Tax advisory on tax-efficient structuring, transfer pricing, business models and transactions
- Tax and transfer pricing review and health check
- Customs and trade tariff compliance and advisory
- Tax audit support, dispute resolution
- Tax refund assistance
- Offshore loan registration and reporting
- Repatriation of funds – preparation and implementation
- Direct and Indirect Capital Gains Tax advisory

Growth

Growth and Expansion

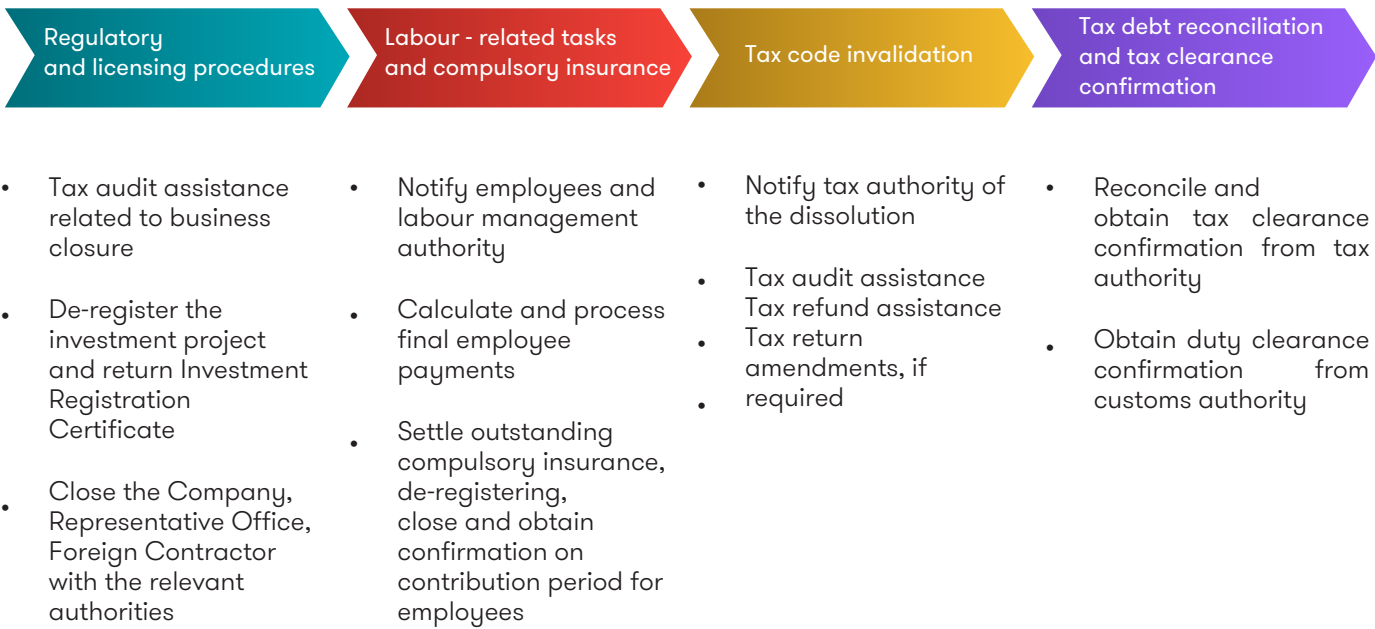

Mergers & Acquisitions ("M&A") are useful tools for companies seeking to enter or expand in the Vietnam market. Successful deals are direct results of well-defined strategy and thorough planning - especially in cross-border deals where differing tax, financial and regulation systems can present significant challenges. Our M&A support services are designed to assist both buyers and sellers to identify risks and optimise deal efficiency.

Exit

Exit or Transition

Closing a business in Vietnam involves a multi-step process that requires careful coordination across regulatory, tax, and labour-related areas. We provide comprehensive support to ensure a smooth and compliant exit.

The duration of dissolution procedures can range from six months to over two years, depending on various factors such as the company’s business scale, tax position, frequency of tax audits, documentation status, and the schedule of the tax authorities. Our team ensures timely and proactive follow-up at every stage to help you navigate the process efficiently.

Connect and Collaborate Locally and Internationally

Our services at a glance

Grant Thornton unlocks the potential for growth for dynamic organisations. This Brand Promise directly shapes our Client Promise:

- We discover what's important to our client and make it important to us
- Agile and responsive service
- Pragmatic solutions to help our clients improve and grow
- Collaborative team with a different mindset

The Grant Thornton Client Journey will include the core steps such as starting the engagement, service delivery, finalising the engagement and on-going relationships.

Being a critical part of Grant Thornton Client Journey, our Business Development Team will help to connect prospective clients with the right experts anywhere in the global and local network to provide the right support. Grant Thornton Vietnam has been recently appointed as ASEAN Business Development Project leader which will intensify the development collaboration among countries in the region.

We strive to live up to our Brand and Client promise through our well qualified people who live our firm's values.

Japan Desk

We provide high quality services, including Audit, Tax, Advisory and Business Process Solutions for Japanese clients in Vietnam. Our Japan-focus for Vietnam was established in 2014 in both Hanoi and Ho Chi Minh City to serve as a bridge with Grant Thornton Japan. They consist of Japanese staff and many Vietnamese experts.

There are full-time basis Japanese professionals or Japanese speaking professionals in our Japan Desk in Vietnam and 21 other locations in 16 countries (Australia, Brazil, Cambodia, China, France, India, Indonesia, Ireland, Malaysia, Mexico, Philippines, Singapore, Taiwan, Thailand, UK, USA, Vietnam). We have bilingual professionals who speak Japanese and English, Chinese, Spanish etc.

As we are "One firm", Grant Thornton Vietnam and Japan support your business under the slogan of Seamless Services in a Timely Manner.

China Desk

Growing a business beyond your country's borders requires extensive research, planning, preparation and good execution.

Cross country businesses are increasingly common. However, differences in legal frameworks and business cultures between nations possess challenges for businesses. To overcome the challenges brought about by the differences as well as to avoid adverse effects on business success, we fully understand and observe these differences and practices. This is where the Global China Service Group from Grant Thornton can support you.

With our rich industry knowledge, experience in tax, audit and advisory services, our dedicated team of bilingual specialists and the global Grant Thornton network, we can provide advice to guide you through your market strategy. We help to navigate the challenges faced when operating in Vietnam and therefore help you succeed.

How can we support:

- Advise on market entry
- Advise on tax efficient business model
- Advise on cross border transactions
- Analyse the benefits of available tax treaties
