

TAX DUE DILIGENCE (Merger & Acquisition Tax Services)

Mergers & Acquisitions ("M&A") are useful tools to facilitate companies starting or expanding their business in Vietnam. However, to guarantee the implementation, it is crucial to master all of the possible tax exposures associated with a deal, especially for cross-border deals where different tax and corporate regulatory systems are involved. To assist Clients in realistically measuring tax risks implied in M&A transactions, Grant Thornton Vietnam

provide Tax Due Diligence and relevant services focusing on:

- Identifying hidden tax exposures on both the buyers' side and sellers' side;
- Advising the feasibility with and viability with possible structures for the deal; and
- Providing knowledgable guidance on post-deal procedures/disposals.
